Chapter 11
THE SHADOW WORMS
Previously: Willard had been imprisoned for giving half of his Seed to a human, the most severe transgression of the Vampiric laws. In this darkness, Kexin has become an unattainable fantasy...

BONG

BONG

BONG

No need, Moka.

MASTER, YOU NEED TO DRINK SOME...

BUT, BUT,

MASTER, YOU'RE REALLY WEAK NOW, YOU NEED TO RECOVER FIRST...

Thank you, Moka. Following this kind of master, it must have been rough on you...

THAT'S NOT TRUE, MASTER!

Creak

My Lady...

Willard,

have you not awakened from your delusions?

Mother already knows that you gave part of your Seed to a human, ***she's furious!***

.....

There is no turning back for you...

His Majesty is giving you *one final chance.*

Even though you're half-human,

...you had better become a proper vampire without any fuss or complaint.

We're going, Sword.

Has Lilina visited?

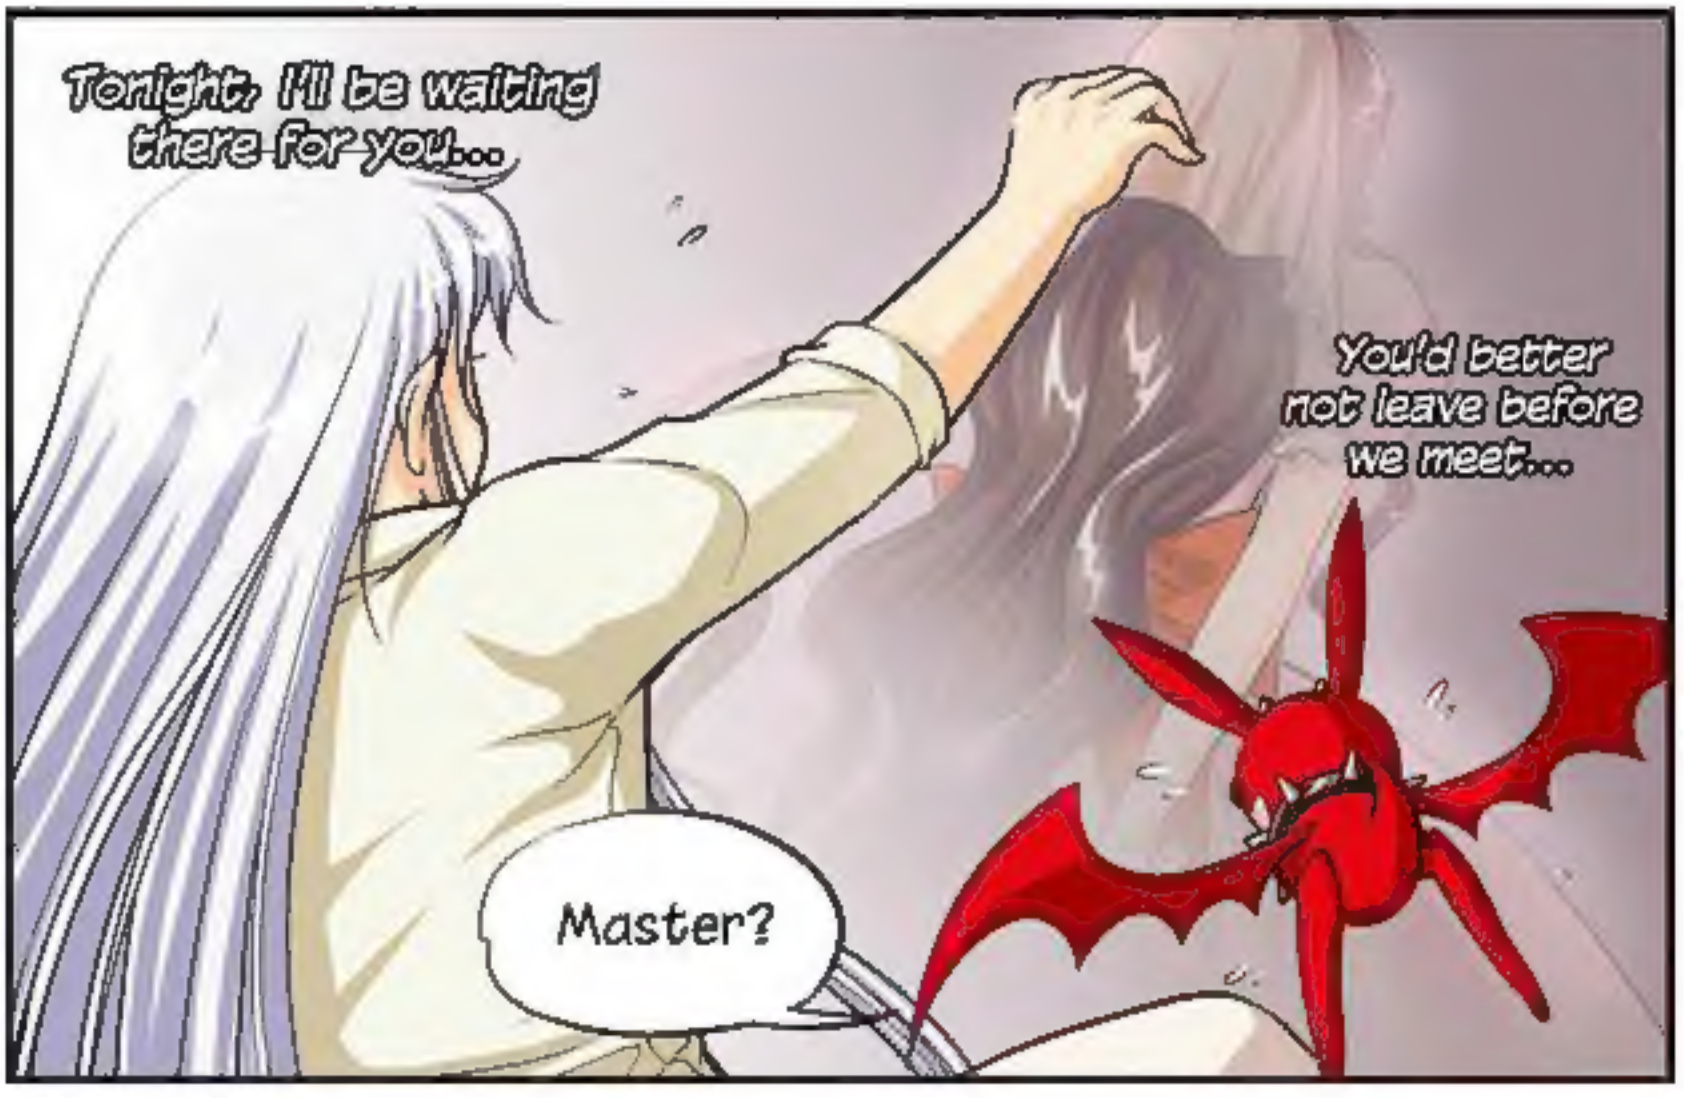
Don't believe everything she says.

She didn't hesitate to betray Father for fame and wealth...

Do look out for yourself.

Master!

Haha!



Tonight, I'll be waiting there for you...
You'd better not leave before we meet...
Master?

See you tomorrow!
Bye bye!

Ruirui, shall we go back together?

No need, I have something to do, so i'll head back later.

Ah, see you tomorrow then.

Bye bye!

We're going~

Ruirui and the rest have been going home late these past few days.

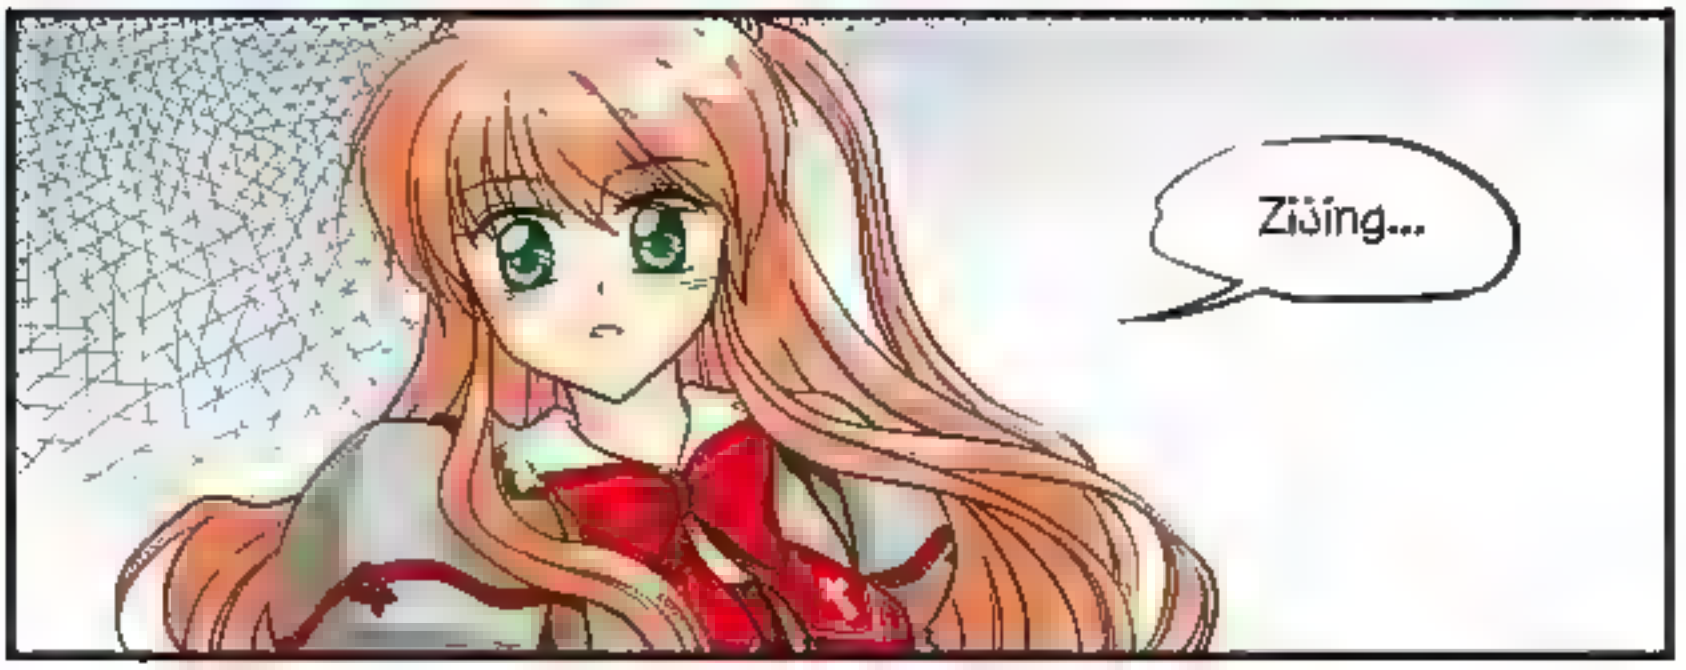
Yeah...

Seems like the two of them are having trouble adjusting to a new school...

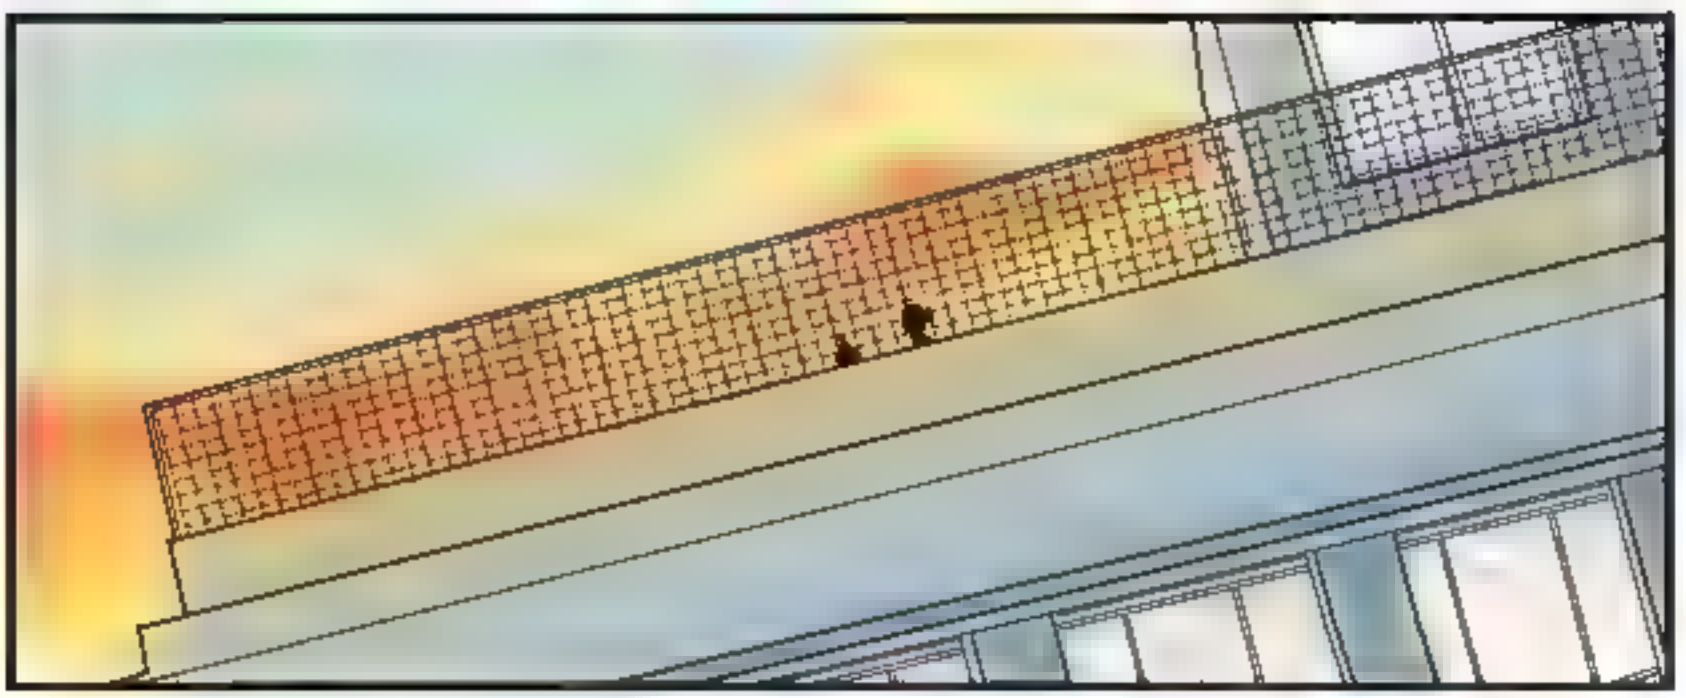
PUT ME DOWN, YOU BIG IDIOT!

Be polite!

Kexin, you go back first, I need to do something!



Zijing...



Most of the shadow worms in this area have been dealt with, and now only a few remain...

We've been looking for seven days straight without any success, where is that damned bug hiding?

The sensor only displays an approximate location, but it's definitely within the school grounds.

The shadow worms survive by feeding on the souls of living organisms. They can easily infect and live as a parasite in their hosts' bodies without notice.

The infected tend to become extremely violent. Three days later, their souls will be completely consumed, and the worms will start searching for a new victim...

Ah, violent! What if...

ARE YOU LOOKING FOR A FIGHT?

JUST JOKING!

How has your investigation been these past few days?

I heard that some second-year students have been absent for quite a few days now, but they're delinquents, so their absence is nothing unusual.

Delin-quents...

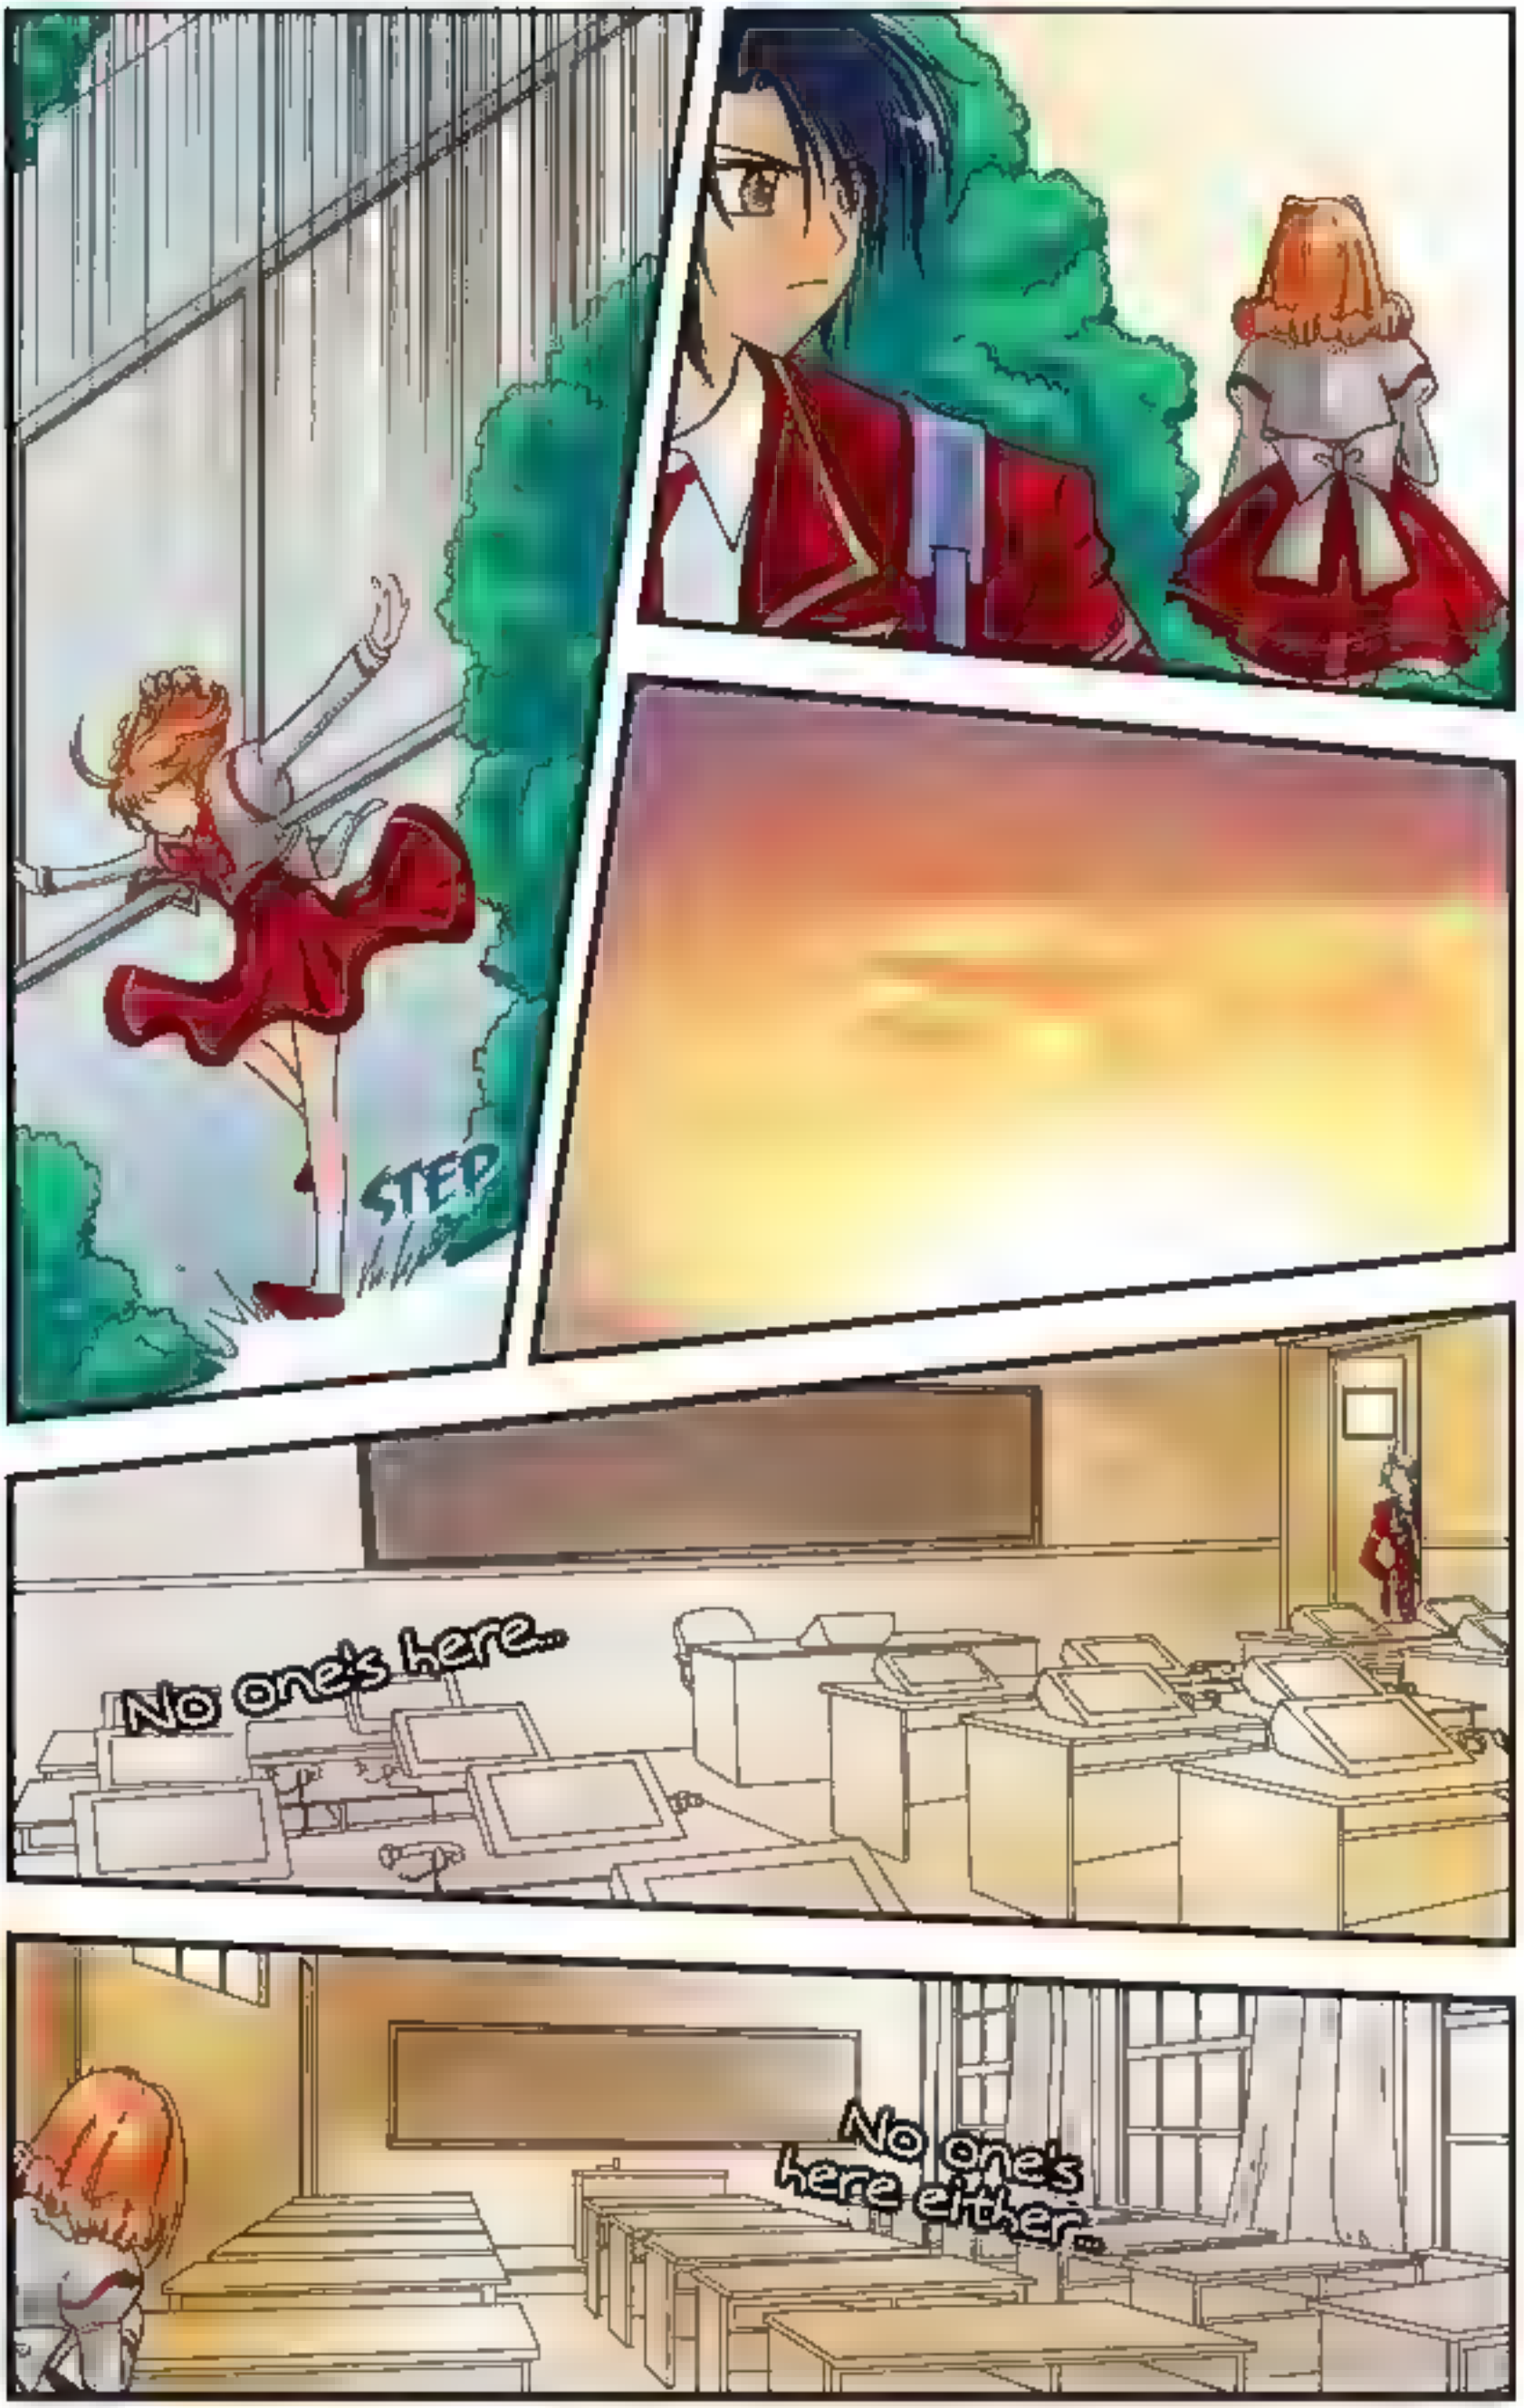
The shadow worms might have infected them, but they're not in school though...

Anyway, let's stick to the plan and search the school first.

Understood!

Hey, the stairs are over there...

THIS WAY'S MUCH FASTER!



STEP
No one's here...
No one's here either...

Nothing unusual here either.

AHHH!!!

RUIRUI, WHAT'S WRONG?!

In... Inside...

Stop it~ Don't keep staring at me~

An ordinary skeletal anatomy model

THAT'S SO SCARY!

YOU'RE REALLY INFURIATING!

It really frightened me! Besides, you can't even defeat me...

This is the only place left...

I think it's unlikely we'll find anything here.

creak

The P.E. teacher goes in every day, so she would have definitely noticed if anything was strange...

What's this...

W-WHAT?

SHUT UP!

AH! BLOOD... IT'S BLOOD!!!

It's quite rough, it's definitely not human hair...

Looks like... rat...?

AH YUAN... AH YUAN!

Can you or can you not be so twitchy...
Grrr...
Huh...
Huh...
!!
Huh...

SHA

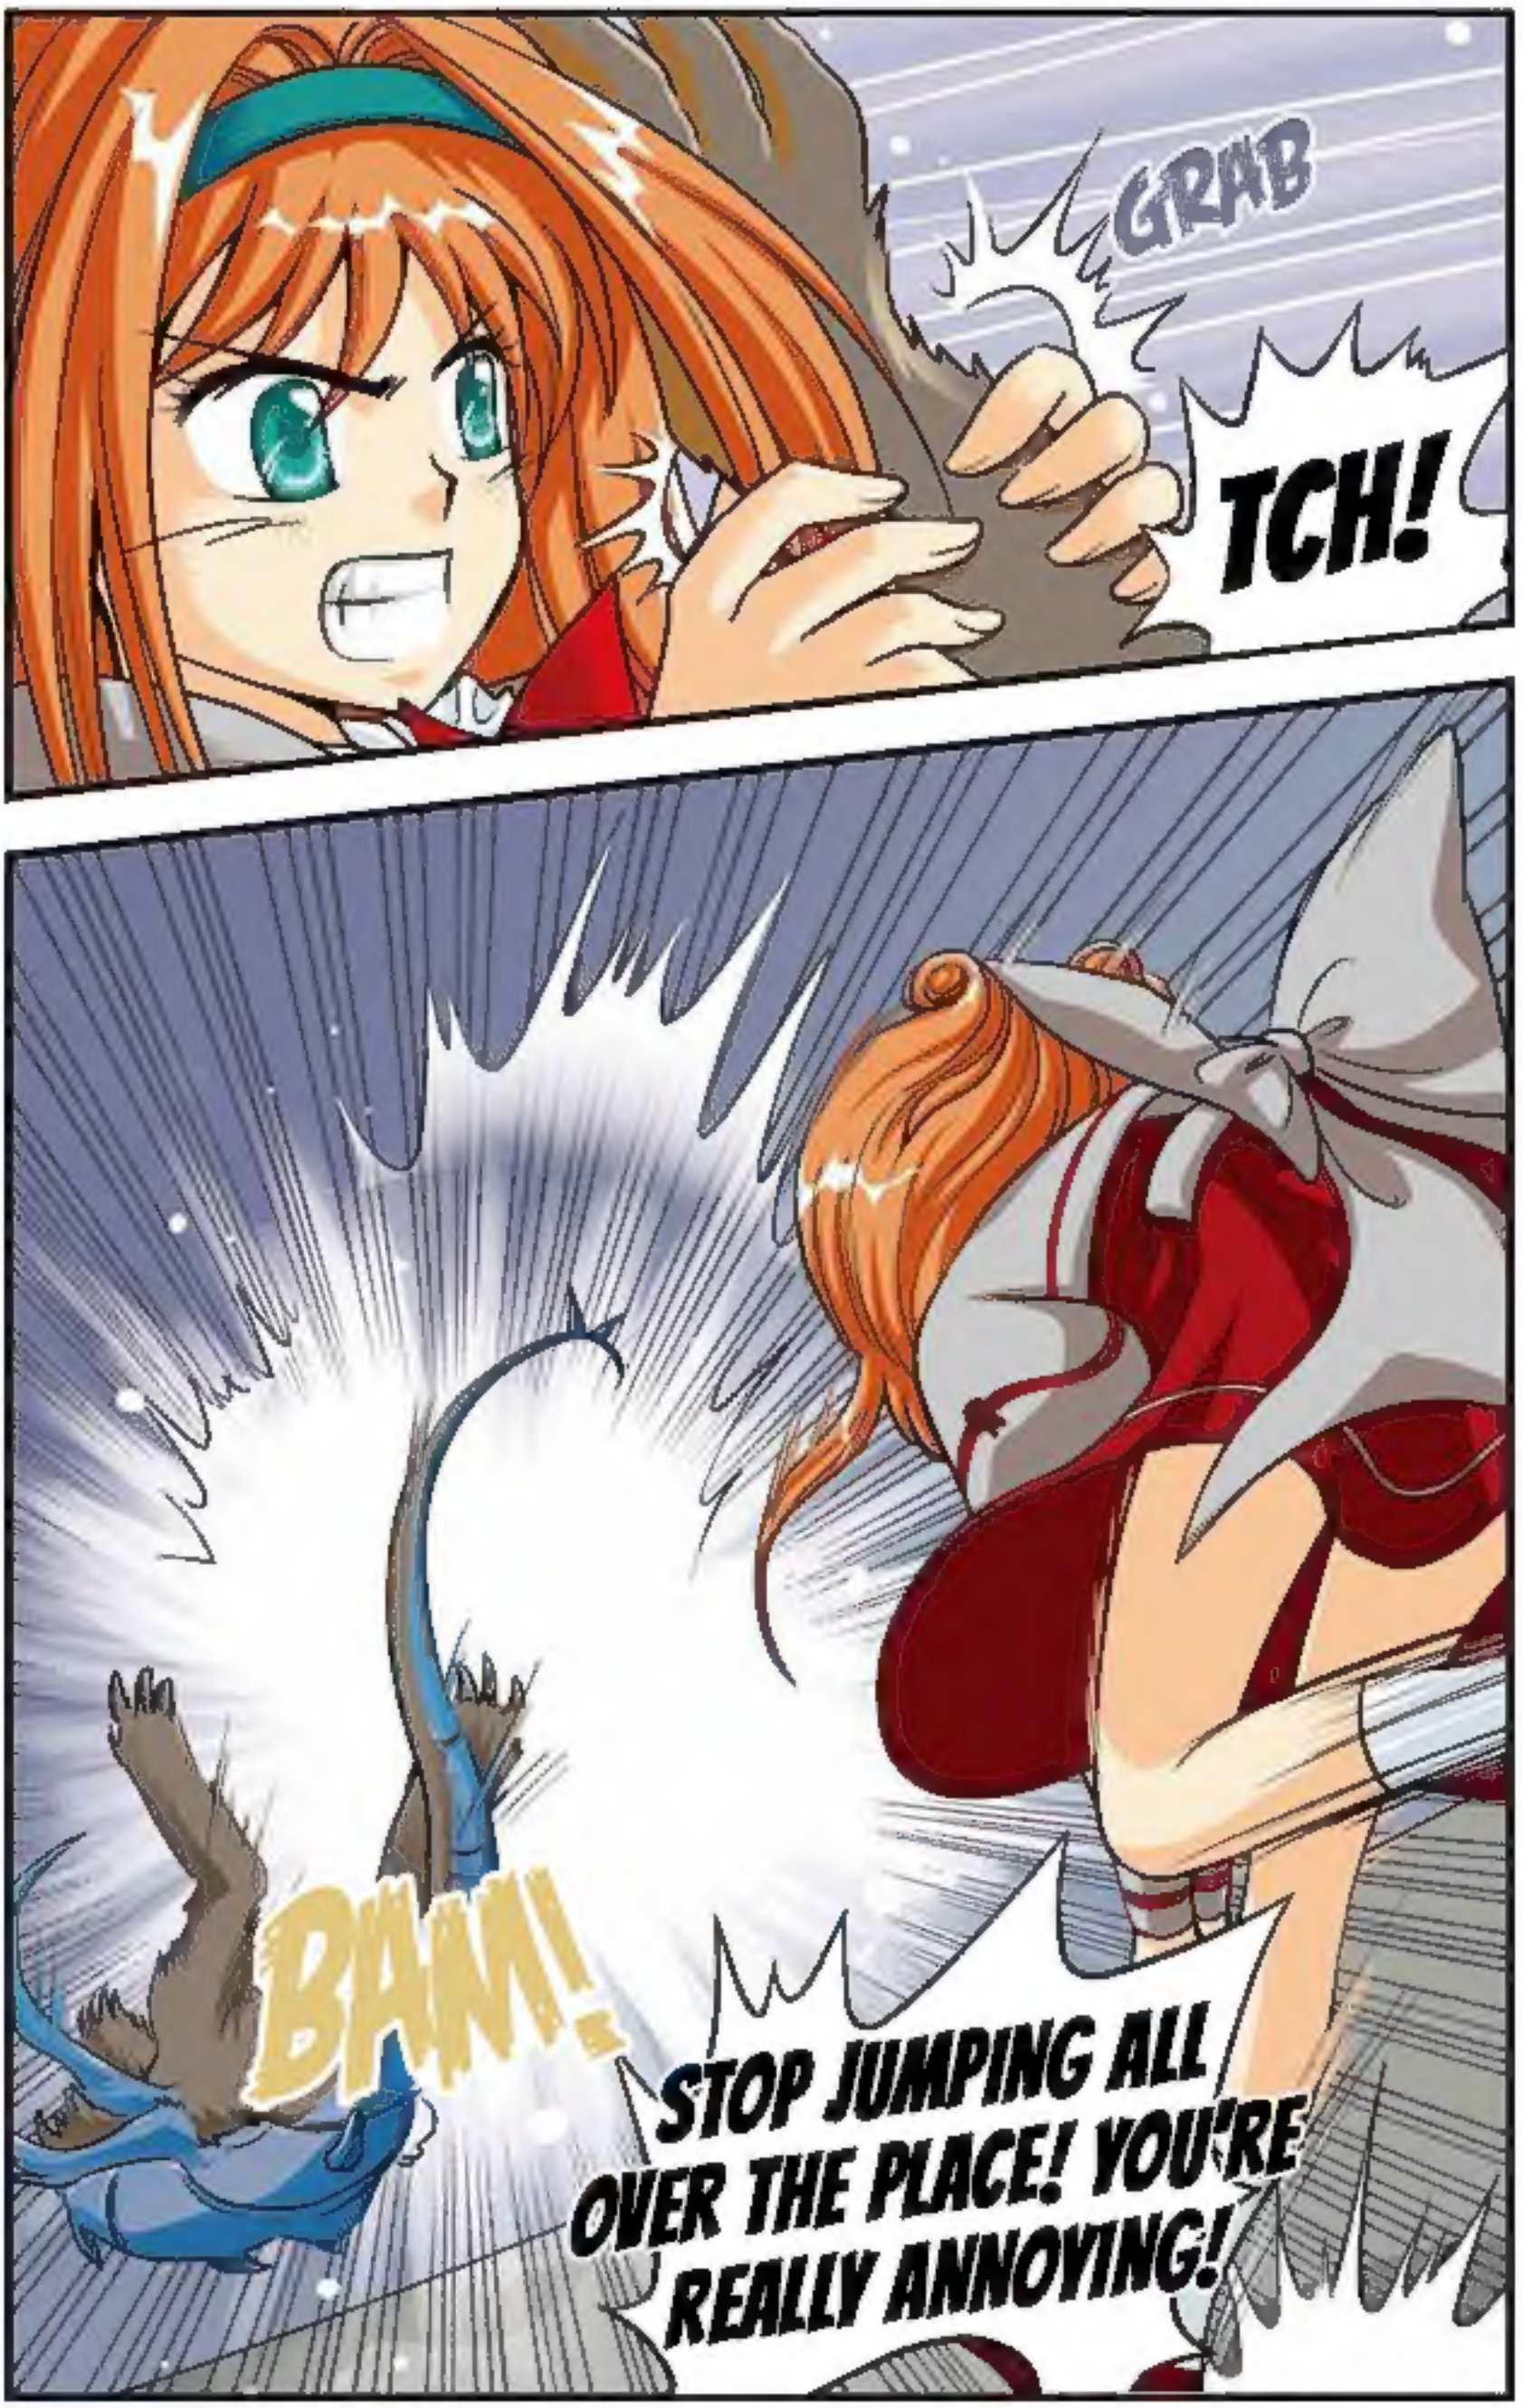
AH YUAN! WHAT THE HELL IS THIS?!

AHHH!

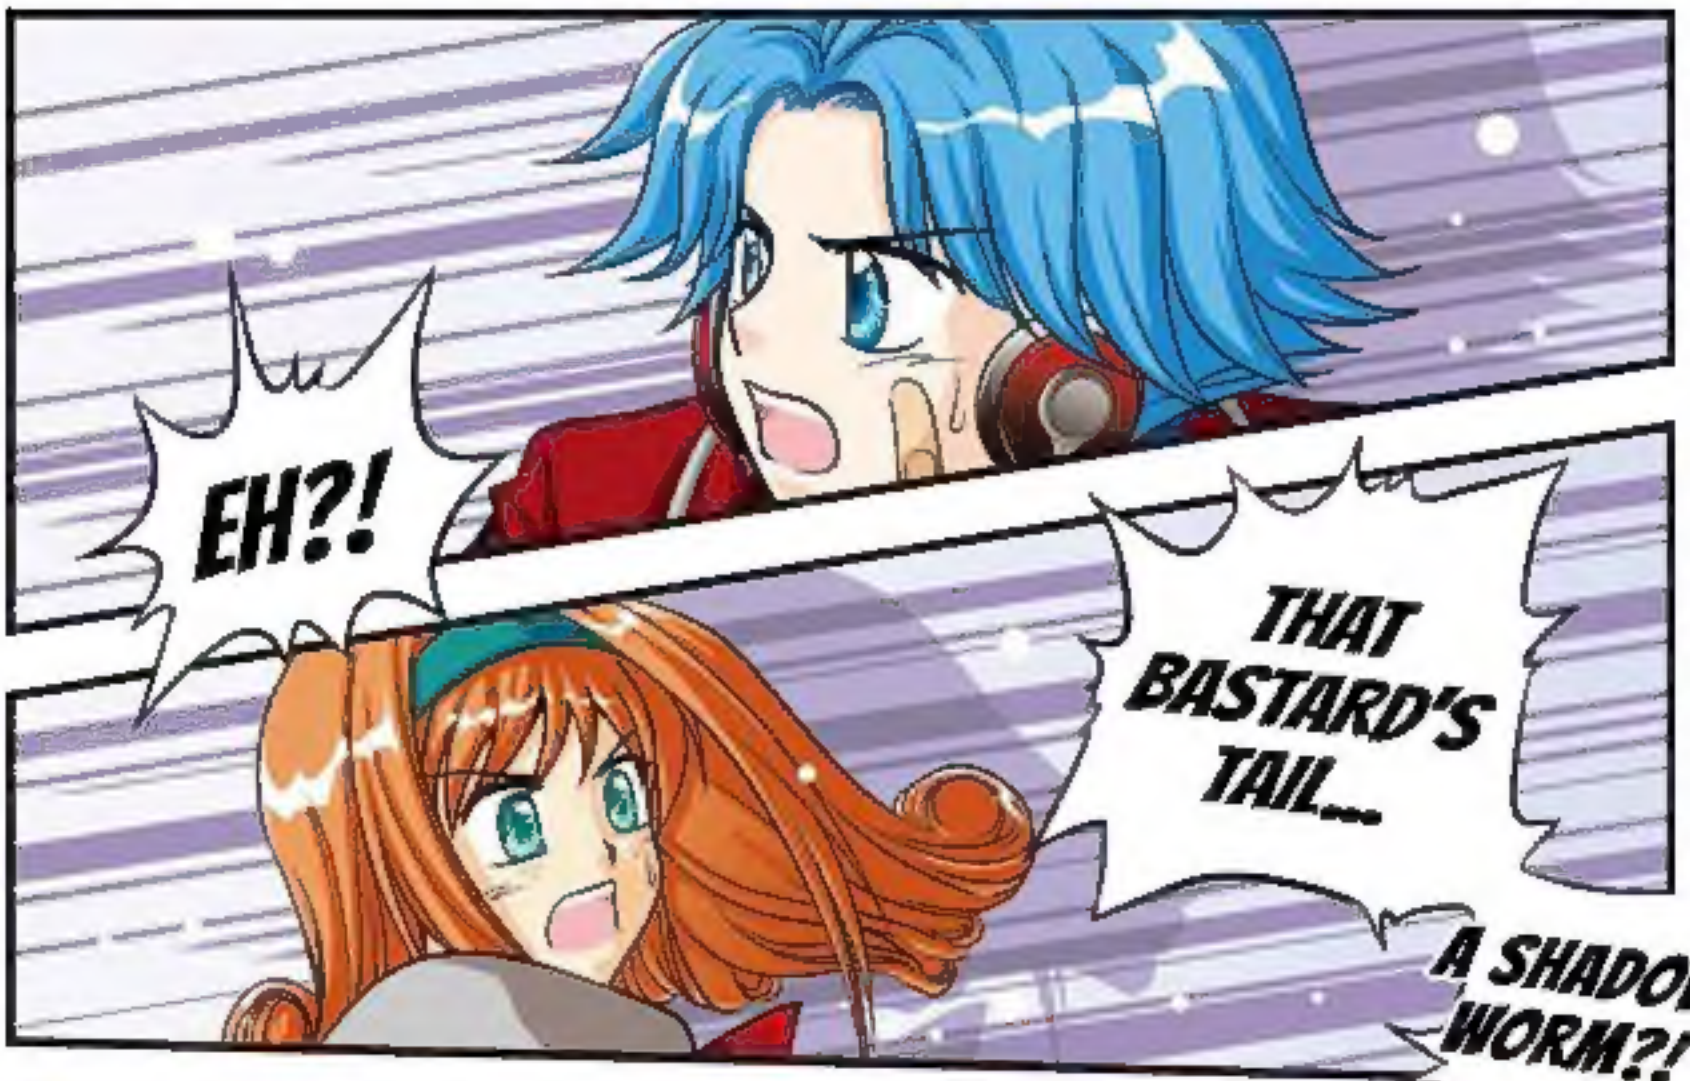
SHA

DA

I DON'T KNOW EITHER, IT'S NOT IN THE DATA!



GRAB
TCH!
BAM!
STOP JUMPING ALL OVER THE PLACE! YOU'RE REALLY ANNOYING!



EH?!
THAT BASTARD'S TAIL...
A SHADOW WORM?!

How can that be?! It's impossible...
Shadow worms burrow deep into the hosts' bodies, they don't leave any visible marks of the infection!

SU
